The above named undertakes to ensure that

1. in the event of publication or other exploitation or use, the **relevant provisions** in particular of personality law, copyright law, protection of achievement law and criminal law **shall be complied** with,
2. depending on existing agreements between owners of art objects and IMAREAL, the rights of use may be restricted. In these cases, the **first step** shall be the obtaining of the **approval** of the owner/museum/collection etc., and the Institute shall receive copies of these approvals, For information in which instances this is the case, please contact: sekretariat.imareal@sbg.ac.at
3. the Institute shall be informed of the title and bibliographical details of any publication that results from the use of the photographic archive immediately after publication, which shall be evidenced by sending author's copies or offprints,
4. the photographs used shall bear the **photo credit** "Institute for Material Culture – University of Salzburg".

I agree to these terms and conditions of use.
